Parking Rules

1. There shall be no parking or operation of any motorized vehicles on any of the property under the jurisdiction of the Nelson Memorial Park and Library Trust; with the exception of paved parking areas.
2. Parking or operation upon property under the Trust's jurisdiction may be authorized by special permit in conjunction with use permits issued by the Trustees for special events.
3. The off street parking or operation areas will be designated on the special permits issued by the Trustees.
4. The special permit to park or operate on the grounds will begin a half hour after sunrise on the day of the event and shall expire at the earlier of a half hour after dark in the event of a multiple day use permit or the end of the use permit.
5. Any other parking shall be considered a trespass and owners vehicles shall be towed at owners expense.
